

Healthy School Fundraisers

Say Yes to Healthy Fundraising!

Fundraising is a fact of school life. To support the Ministry of Education's School Food and Beverage Policy (P/PM 150), we plan to shift the focus to healthy fundraising at our school. Future fundraising will use **non-food items or healthy food only**. We ask for your continued generous support!

Together we can make the healthy choice the easy choice!

A Fresh Twist on Bake Sales

Student bake sales will have a new 'taste' this year. To support healthier choices, our school will be hosting 'No Bake Sale' Fundraisers. That's right – to save you time and effort, please consider donating the money that you would normally spend to prepare or buy treats at our regular bake sales. Let's give this new way to support healthier choices a try!

Rethink the Bake Sale

The next school bake sale will offer tempting taste sensations! We ask parents and students who will be providing tasty treats to use recipes from *Bake It Up! Tasty treats for healthier school bake sales* (available at <http://www.nutritionrc.ca/resources/nrc-english.html>). This bake sale will be a first – only using recipes that meet the Ministry of Education's School Food and Beverage Policy. What a great way to taste the healthy food we talk about in class!
